If you would prefer to purchase the tyres direct from the supply company "Tyre men" if its would be beneficial for you to claim the VAT back as I am not VAT registered,  
Currently there are delays/ low stocks of parts at the manufacturer's parts or either currently in stock or waiting times can be up to 6 weeks though this is unlikely.  
Currently the machine is nearly fully serviced/ checked over to make sure any faults are diagnosed early to prevent an initial delay in ordering parts .  
Whilst every effort has been made to try and make sure there are no further costs/ problems this can't be confirmed until the new parts have been fitted and the machine tested - unlikely but possible problems such as parts being supplied wrong or eg any other further gearbox oil leaks etc  
ALL PRESENT AGREED
